

Greetings Roosevelt Alumni & Friends:

Welcome to the first quarterly email newsletter from The Roosevelt High School Foundation. We plan to send an email about 4 times a year updating you on exciting things happening at the school, reunions, events and more. We are just starting to build our email list and we are missing many addresses. You can assist us by forwarding this to your classmates and family and asking them to send their name and email address to: info@rooseveltfoundation.org .

First, congratulations to the Class of 2008! We wish our newest alumni the very best as they head off to colleges, universities and adventures close to home and across the globe. Our new grads are attending schools from the UW and Stanford to Santa Louis University in Madrid, Spain! We are confident that this extremely talented group of young adults will go far and carry on the Rider tradition in their future endeavors.

With the summer sun shining, it's hard to imagine fall is right around the corner. But, our sports teams are already gearing up for another exciting season of football, soccer, cross country, volleyball, golf, swimming and tennis. Mark your calendar and attend a sporting event this year to cheer our Rough Riders to victory! A complete schedule of events can be viewed at: <http://www.digitalsports.com/school/id/23434/page/calendar.aspx>.
